## THE NATIONAL DEBT

January 2003                                      January 2007 -  
Democrats take Control of Congress

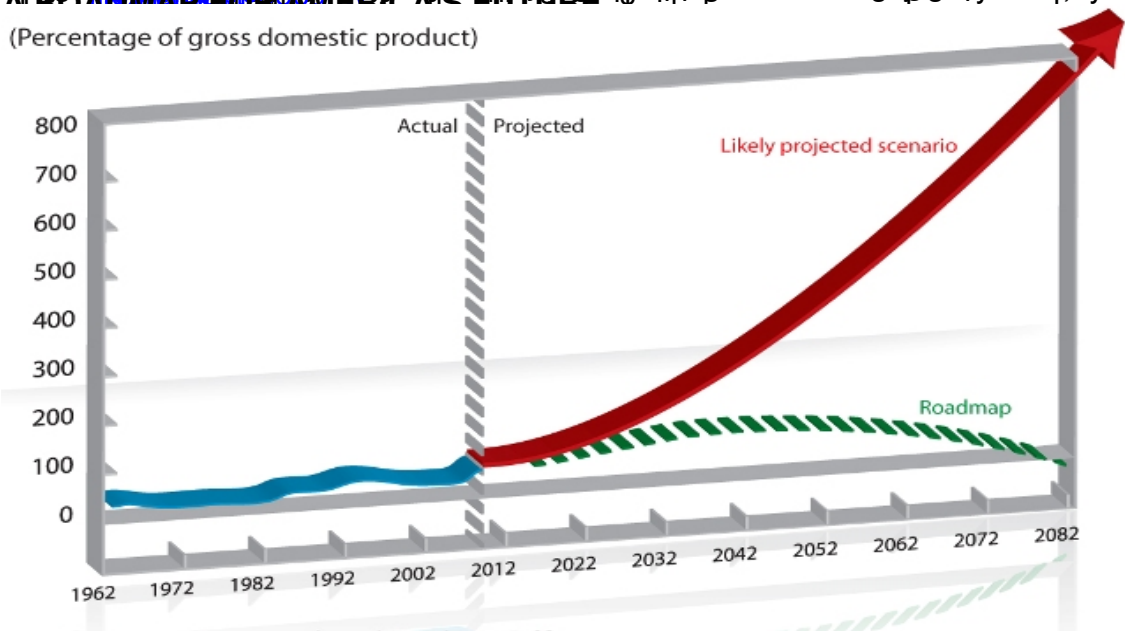

006,382,650,489,675.40

008,677,214,255,313.07

THE SOLUTION is that Congress must make a deal, and do so by the end of the year. The deal must include a commitment to reduce the deficit by \$1.2 trillion over the next 10 years.

(Percentage of gross domestic product)
